LLUMAR® INTERACTIVE TOOLS | How to Add to Your Site

Give prospective customers more confidence in their window or paint protection film purchase decision by using the LLumar® interactive tools on your website.

Just choose the desired page on your site (or create a new one), add the tool's code as one single entry, test, and publish.

This may require the help of a web developer if you are unfamiliar with website development.

Terms of Use for the LLumar® Web Tools

PLEASE READ THESE TERMS CAREFULLY BEFORE UTILIZING THE LLUMAR INTERACTIVE TOOLS ("TOOLS") ON YOUR WEBSITE. BY USING THE TOOLS, YOU AGREE TO BE BOUND BY THESE TERMS. IF YOU DO NOT AGREE TO THE TERMS, PLEASE DO NOT USE THE TOOLS.

Proper Use: Although your own company name and/or logo and the LLumar name and logo may appear on the same webpage as the Tools, no other third-party brand, trademark, product name, company or individual name or logo may appear on the same webpage as the Tools. You may not copy, distribute, modify, alter, create derivative works or otherwise misuse the Tools in connection with your promotion or sale of any products other than LLumar branded products.

Termination: You acknowledge that we may periodically review and audit your website for compliance with these terms. You agree that we may, in our sole discretion, terminate your right to use the Tools if we believe that you have violated these Terms or acted inconsistently with the letter or spirit of these Terms. Upon any such termination, your right to use the Tools will immediately cease. Upon notification of termination, you agree to remove the Tools from your website within five (5) business days of receipt of any such notification.
